“ *Thanks Dad for the lessons and love you showed us while growing up. I remember as a little girl telling you all the things I wouldn't do when I "got old". Now I do them all the time! Make my bed, fold my clothes, try new foods (you were right - cheese is awesome) pray to God and love my family and friends. You had it right all along. I miss and love you Papi.* ”

*God showed me part of his own loving heart when he gave me Alien as a friend. He is one of those few people that change one's life forever with his kindness. I will see him again one day & it will be forever! He gets to meet all my baby's before I do. He will tell them all about my manner on earth, "Stranger." I didn't come around for a short while & his way of telling me that he missed me was by calling me, "hi Stranger!" The new name never left me. From time to time he became Stranger & I "Alien." Heehee*

*I looked forward to receiving his Christmas cards and ocational letters. We wrote to each other when he lived in PR. He sent me boxes filled with goodies & gifts. I love him so! I'm glad I got to go see him twice in PR while he was still getting around. The second time his leg was giving him much pain! I am frrever grateful to God for his life- his awesone daughters & Vilma whom I also think of with much love. My life has never been the same since I meet them! Thank you for being my Best friend forever Nise! Give my love to your families.*
