“ Grandma,

Life threw you many challenges, but you always persevered and kept your faith and Love for God. I'll always remember coming to visit you and enjoying your company and your cooking. Although, I'm saddened by your departure from this world, I'm joyous because now you get to spend eternity with our loving Father. Thank you for all of your love and support over the years. Love you always. - Your number one

“ Mommy you are the mother I received the day I wed andy.thank you for everything you've done.you've given me a good heart husband. you are his lovely mother and I his lucky wife.you used to pat his head and now I hold his hand. I will be missing you bu't my mind knows you are in a better place where there is no pain and bad taste food.you are at peace now.I understand that,I just wish I could explain it to my heart.theres is an empty space in it that nothing will ever fill.I grive,but I know my tears are for me.we will meet, together again.until then,my love will always be with you.

“ Grandma taught me how to whistle call like a bird. She told me a story about one of her sisters and her using it to communicate. I'm glad she showed me how, now I can call to her no matter how far away she may seem.

My Aunt

*I thought I saw her face today
In the sparkle of the morning sun.
And then I heard the angel say,
"Her work on earth is done."*

*I thought I heard her voice today
Then laugh her hearty laugh.
And then I heard the angel say,
"There's peace little one at last."*

*I thought I felt her touch today
In the breeze that rustled by.
And then I heard the angel say,
"The spirit never dies."*

*I thought that she had left me
For the stars so far above.
And then I heard the angel say,
"She left you with her love."*

*I thought that I would miss her
And never find my way.
And then I heard the angel say,
"She's with you every day."*

My Aunt was a cheerful fun loving lady. Her smile could light up a room and it was infectious. It was a delight to be around her. She was very clean and organized as well an incredible cook and gardener.

Tia, I will always love you. RIP 🙏🕊️💋❤️

“ *I thought of you with love today
But that is nothing new.
I thought about you yesterday
And the days before that too.*

*Your memory is my keepsake,
Which I will never part.
God has you in his keeping,
I have you in my heart.*
