

## Oliver Charles Leonard Jr

February 6, 1954 - December 13, 2024

Oliver Charles, Leonard, Jr. was born in New Orleans, LA, on February 6th, 1954. He grew up in Pensacola with his brother, Alan, and sister Cynthia. He graduated Santa Fe University in Gainesville with a degree in Cardio-Pulmonary Imaging. In 1999, he graduated from the University of Phoenix with a Bachelor's in Healthcare Management.

Charlie married twice and through his marriage to Maryann, were born his beloved children Amy, Alex and Alaina. During his many happy years with Terry, he also became a devoted father to her daughter, Jennifer.

Charles dedicated his life to service in healthcare, service to his patients and service to his colleagues. His passion for excellence in cardiology and radiology were legendary. So much so, that he became known as "The Ultrasound Guru." As fate would have it, in 2005, Charlie met with Joe Rogowski and they formulated a cardiac testing entity that would prescreen

athletes for clearance to their sports. This company was Athletic Heart, which Charlie was proud to be affiliated with until his passing.

Charlie's recreational pursuits were as varied and epic as his other passions. He was a master scuba diver of over fifty years. He tallied over a thousand parachute jumps and was an avid hang glider. He enjoyed the excitement of deep-sea fishing and the quiet moments on a lake or pond patiently waiting for a tug on the hook.

Charlie lived every moment of life with zeal. In his final two years he found immense joy as a doting grandfather to Cristana, and renewing his family ties. Charlie was preceded in death by his Parents, Oliver Sr. and Alice Leonard, and his daughters,

Amy & Alaina. He is survived by his partner, Teresa Elliott, his son, Alex Leonard, his Step-Daughter, Jennifer Elliott, his Sister Cynthia Stichweh (Larry), Brother, Alan Leonard, and his "Sweet Pea" Granddaughter, Cristana Cuebas-Elliott.

He had an "always hopeful" attitude. He fought a long and hard battle against cancer and was finally called to the Lord on December 13th, 2024. Charlie was a loving and devoted brother, father, and grandfather. He was a constant companion with Terry, up until his final day. We will miss him dearly.

“Live with integrity, follow your dreams, never give up.” OCL

Celebration of Life will be held January 11, 2025 at 1:00 p.m. at the First Methodist Church of Oviedo, 263 King St. Oviedo, FL 32765.

Any flowers should be delivered directly to church.

“Charlie and I both worked for HP medical as ultrasound clinical specialists. We often would go running when we were together at meetings. Boy, he could run in that 90 degree high humidity Orlando. He was a friend and an asset to all of us in CV Ultrasound. RiP Charlie / Bill Weidenbach, Fort Ripley Mn.

“May he rest in peace. I hope that happy memories bring peace and serenity to all his family and friends in this sad time. I am forever grateful for knowing and working with Charlie Leonard at Hewlett Packard’s Medical Products Group. He was a wonderful person with dedication to his family, work ethic and values; and helping others to be healthy and successful! I know his family and friends will really miss him! He was especially dedicated to his family, and often talked about them while we were working together! To summarize, he was just a real pleasure to work with and got along with everyone!

*John 11:25 26 “Jesus said unto her, I am the resurrection, and the life: he that believeth in me, yet shall he live: And whosoever liveth and believeth in me shall never die.”*
