“ Pat was the kindest person I've ever met. She would give someone or an animal anything they needed. This lady was taken away from us way too early. I thought she'd live as long as her mother did. Everyone that met her, loved her but she refused to believe it. For being a simple gal she sure was complicated. I will think of her often as I have always.

“ My sincere condolences to the family. Pat and I have been friends since high school, and as we grew older we grew ever closer.

Someone so special will not be forgotten.
