“ My greatest memory is when I was having issues my mother, Patsy (mom) said don't understand how a parent could be that way and I will adopt you as my Daughter. I gave her a big hug. I still have a daughter birthday card she gave me many years ago. I also remember sitting at Helen's table listening to her loved Gospel music with her. I introduced her to my favorite Charles Billingsly. Prayers for the Eubanks and Watson family. Mom will forever be in my heart. Love you and miss you mom
