“ A lot of people called you momma. And everyone was your kiddo. But you were mine. There isn't a day that has went by that you don't stay on my mind. Good times bad times but they were together. I never wanted this day to come but now your at peace. It doesn't seem real yet. I still want to pick up the phone and call my mom. I miss you today tomorrow and always. I love you momma!!
Your first born, Nakirah
