“ Where do i begin my dearest brother. I am so heart broken just knowing that you are not here with us. There should of always been 6 of us until we at least reach our 80's or longer but god needed an angel and he called for you. I am so grateful that you were a part of my life for your years on this earth and even though you are not here you will always have a part of my heart. I did see you the day you passed by my bed and like the joker you were smiling and at first i got scared but knowing that you came to say goodbye and to let me know you are okay gives me the strength to go on and let you rest in peace. I know you are in a much better place celebrating with dad, mama and papa. Give them a kiss and a great big hug and kiss to you. In your words "I Love you baby". RIP our handsome ANGEL PETER URRUTIA.

“ Where to being my sweet brother! As I write this tears are just flooding my eyes. Peter, you are the best brother anyone could ask for. I think back to all the times we talked on the phone and we hung out, when you would come over on Saturday's to see my kids. I remember you walking into the hospital to see your godson for the first time, it was like you were his father, you were so proud. I have 2 recordings on my answering machine from you and I play them once in awhile to hear your sweet voice say, "Lizette, it's your brother, Peter" and "I love you, Baby". Please give me the strength to go on living without one of my best friends. I know you will be with all ALWAYS! I love you my brother! RIP! Love and miss you so much! With a broken and heavy heart, I say RIP OUR HANDSOME GUARDIAN ANGEL!
