“ *Is this the same Phillip Pecunia who lived in Louisiana and served on the USAF. If so, he and I were friends and roommates. Sorry that he passed and I was not able to attend.*

“ *Ours was a chance meeting! A mutual friend of both Phil and I called me one day and asked me if I could go check on her friend. So I went to Phil's home and soon realized we should go to hospital. So we did and before I knew it I was being asked personal questions about someone I had never met before!! Phil and I got a good laugh out of that later!! Actually we had a lot of laughs together from them on ! Our friendship was sealed! Phil had a great sense of humor, a quick smile and an endearing laugh!! I've missed him ever since he moved, but we were ever thankful he had the loving family he has ,willing to care for him as he aged!! A God fearing Jesus loving man I look forward to seeing again one day 🙏*

“ *So many good memories with my ole buddy. Dinners and theatre dates at Tulane summer musicals. Trips to the lakefront . Hot summer days at the Zoo and the Aquarium. Phil really enjoyed doing fun things with me. He lived a great life and loved his family dearly.*
