“ I’m so sorry for your loss. He was always good to me. I remember always hanging out with Lisa and Lori and he would never tell my parents when we got in trouble! He would sing to your Mom and make us all laugh. He worked hard and loves his family. ❤️❤️❤️

“ So very sorry for your family loss. I remember your Dad and Mom very well. They were both close to my parents, John & Carolyn Pelkey. It is so hard to see this generation passing so quickly now. I guess one of my fondest memories was visiting the farm in PA. I trust God will give you all comfort during this time.
