“ *Uncle Phil,*

I will never forget all of the great memories made in Daytona. You always knew how to have a great time and always had a smile. Rest In Peace Uncle Phil. I will always remember what a great person you were.

“ Dear Phil,

Our hearts is breaking because you left us so soon. Wish we had time for one more conversation, one more visit in Daytona or one more text or email. We had so many good times together. I hope you know you'll always be our Brother and our boys Uncle.... FAMILY! Cody and Brandon admired you and looked up to you so much. We miss you and can't wrap our heads around the fact that you're gone from this earth. Until we meet again Phil... RIP and Ride Free. We love you forever and we'll never forget you.

Love you Brother, Ronnie and Roger

“ *Wow, I am still dazed at the fact that you're gone from this earth. I don't know where to start. So many memories. I must say riding behind you on Liz was at the top, even on that tiny seat! I trusted you. Even flying back from New Smyrna on I-4 in the pouring rain, I trusted you with my life. I hope you realize now how much I loved you.. I always will. I will never forget you. I will never stop talking about our times together. I will keep missing you, Phil, until we see each other again, and I know we will... RIP ❤️*
