“ Rafi, I'll never forget learning to sarcastically say "Si!" from you while hitting ska bars around Ponce. Then plenty fun days and long nights in Iowa. We lost contact after your marriage but you'll never be forgotten. See you later Rafi.

“ Rafi was my first room mate in college. He was such a nice person but was having a hard time of it. I hope you find peace Rafi. That and happiness. You are missed.

“ Condolences to family and friends. Rafi was a great and caring man who always stopped what he was doing to help and teach. I was fortunate to work with him at Bonnier Corp. He is missed.
