Raymond Edward Hufnagle, 66, of Orlando, Florida passed away Saturday, March 7, 2020 at his home in the serenity of his backyard surrounded by his loving family and the sounds of nature. Ray was born on October 22, 1953 in Pittsburgh, Pennsylvania to Charles and Mary Hufnagle. Ray was a Design engineer/manager and traveled throughout the United States as well as China, India and Columbia working for Blumcraft, EFCO, Ultra Hardware, WinDoor Inc. and Hardware System + Design

Ray is survived by his wife, Debra (Stumpf) Hufnagle; his son, Raymond Edward "Von" Hufnagle; daughter, Catherine Elizabeth Hufnagle; brothers, Douglas (Sara); Gregory (Fely); Edward (Patty); Mark (Stephanie), Paul (Rebecca) and, grandson, Jason Hufnagle along with numerous nieces and nephews on both sides. He is predeceased by his: parents; family patriarch Uncle Clifford; brother, Karl Hufnagle; and sister, Karen Hufnagle.

You could find Ray and his wife Debbie immersing themselves in nature; hiking, backpacking, camping, fishing, bicycling, canoeing, and birding. He enjoyed taking friends and family to visit the friendly scrub jays in Rockledge.

He also volunteered with the neighborhood "Wedgefield Kitty Project" being on stakeouts of their traps in the neighborhood and his backyard.

Ray was one of a kind, amazing family man and husband! He leaves a deep void in our heart and will be truly missed. Scattering of his ashes will take place in Pennsylvania later in the year.

During his courageous battle with Stage 4 Pancreatic cancer he had to relinquish his beloved Casper to the Melbourne Avian Rescue Sanctuary (MARS) who cares for him now, along with many other cockatoos and parrots who may have been rescued or have health issues and need treatment.

“ I am a childhood friend of Debbie's. We met in fifth grade. 1964? Debbie introduced Ray a few years later. Myself and my 2 children went camping with Debbie and Ray. We shared a love for the great outdoors, including hiking, canoeing, and observing wildlife. I remember Ray's calm demeanor and gentleness. He shared his knowledge and kindness with us. So, sorry for you loss Debbie. I have sweet memories of Ray and our encounters.
