“ Ray I will never get over this loss. You were not only my Brother-in-law, you were my best friend. All our years as family and friends I will always treasure and your funny sense of humor and such funny storytelling could only be topped by Mom. (Not much)... You were a good person, a caring person, a hard working person, and a wonderful Husband to your "Rosie". The last time together, Rose wanted to put out some lunch, your sister Lois and I, both said "no". So, of course Rose did not put out the lunch. you looked at me, then turned to Rose and stated, "Just because they are not hungry, does not mean, I am not hungry. So out came the lunch, and I might add, I did eat also. Rose, Lois and I will forever remember this funny, funny time. All these years, and being so close to you, has made me a better person, and I thank you for that. Missing you. Love "Bobby G". Aka Bob

“ *Lois Parker Gutekunst and her husband Bob are my neighbors (I could never have better!).*

They would go up to Orlando to visit with Ray and Rose and would come back and share their stories...wonderful dinners, great talks and how they all loved one another and so enjoyed each other's company. Ray was Lois' only sibling as well as being good friends with Bob. They still can't believe he's gone.

They arrived back in Florida today, but will be going back again soon to make sure everything goes as smoothly as possible for Rose.

I'm so sorry...they loved him so much it makes my heart ache.
