“ It is with such sadness that we have just learned of Gina's passing. We have lost touch over the years, but enjoyed seeing her postings on Facebook and found we had the same political views. I was happy to see that some members of the family obviously had good sense. Our hearts go out to you Harley, and of course the rest of the family. She will always be in your heart and that is a treasure of itself. Sincerest condolences, Denny and Peggy Asman
