“ I was thankful that I was able to fly to Florida last month for 2 days to see my brother after 32 years of not knowing we're he was. I was blessed to see you on virtual visit twice not knowing that Tuesday February 16,2021 was going to be the last time to see you and tell you how much I loved you. I will miss you so much but I know deep down you are not in any more pain. You will always be in my heart
