

Robert Richard McElhaney

July 23, 1941 - June 15, 2017

Robert McElhaney, 75, of Orlando, Florida, passed away on June 15, 2017. He was born in Cincinnati, Ohio to Robert and Helen. He was a loving father, brother, son, and friend who devoted his life to God. Robert is survived by his daughter, Michelle Carroll, and his sister, Pat Thorpe. He meant the world to his daughter and they had a supportive, loving, and caring relationship. He had a special bond and close relationship with his sister, who considered him to be her best friend. It made him feel good to do nice things for others and he was always there when you needed him. Robert was very adventurous and liked to travel and discover new places. His love of water and the beach led him to live in Florida where he was able to enjoy these things later in life. Although his life was too short, he was very positive until the end and at peace with what God had in store for him. He will be extremely missed and have a special place in our hearts forever.

Strange with you gone...but know you're in better place now, pain free, and no more worries.
