“ Rest in peace tío Ruben. Mami, your sister Iris Mirta, always talked about you and loved you dearly. Unfortunately she's had alzheimer's for so many years, I wish you both could have met for one last time. Abuela Panchita always had you in her mind and heart. Rest in peace tío, que Dios te tenga en la gloria. Mary Joann, thank you for letting me see him through video call, I appreciate it so much. Many prayers and condolences to you, Gladys, Ruben, grandkids and all family & friends. May God give you all strength in this time of loss. 🙏 Love: Mirta & Family

“ I'm going to miss you asking me about the Yankees and how they're doing. You were a good man to me, your step daughter Liz Marie and step grandkids Dariana and Johnathan. You were especially very loving and caring to your wife Susana. Always making sure she was ok, always making sure she was taken care of. I know you're in Gods hands now and you're in a better place. I don't know if the Yankees will go all the way this year but the next time there's a game I will watch it in your honor. Descansa en Paz Ruben.

“ We lost a very special person to us and his family. Ruben was such a great guy who loved deeply. This is going to be hard not only for the family but especially for my mom, so please keep her in your prayers too. One thing that warms my heart is how well he treated my mom, after she got sick he was always caring and thinking of her. Ruben was a great man, father and grandfather. I was bless to have him as my stepfather. Ruben Berdier rest in peace. God bless.

Liz Marie know that my father loved you as his daughter, and he loved your mom to the end, the last day we were with him before he died the last words he heard was my brother telling him that Susana va estar Bien que no se tenia que preocupar por Ella y se podia IR en paz. Thank you for everything you did for him from the bottom of my heart and for always being there to help me through this process, I appreciate you. Dariana papi te queria mucho y siempre decia que estabas away at school y que Eres Bien intelligent he was proud of your accomplishments. Thank you all for treating my father so kind and as part of your family. Thank you for your kind words. May he rest in peace. Y El queria a tu hijo mucho tambien.

“ If love could have saved you, you would have lived forever papi. One favorite childhood memory of mine was when my dad would pick me up after school in Jersey and those hot summer days always get me a vanilla ice cream in a cone with rainbow sprinkles from Carvel's ice cream truck.
