“ Quiet and steady. That's how I'll remember my brother Reuben. The last memory I have of him was on our last Katina Kuzins cruise. The ladies were having there time together and some of us men just gathered at the lido deck to hang out. I was with my brothers, Dave, Jesse and Sam. Reuben was with us. He was just like one of us. We just enjoyed our ice cream, sat there and didn't say a whole lot. That's what true brothers do. Just hang out and without many words spoken, we all know that the love between us goes deeper than words. It's our "presence" with one another that speaks volumes. I love you Reuben. I'll see you on the other side.
