“ From the time that I have known Samantha she has always cared about relationships with others, but she cared deeply about her family and friends. She also had a special relationship with God. Included in one of our recent conversations was a talk about our purpose in life and how to recognize what it is God really wants from us. She also chatted about her family back home and her dreams for her children. She had a special long relationship with Valerie Rush-Parker and her extended family. She was a great person, student and friend. As she was leaving my driveway, her goodbye was "goodbye auntie" and that let me know that she really knew she had been inducted into our family. She always had such a beautiful smile. Delores Sloan, Ph.D. and family

“ Even though I did not work with Samantha Moss directly, we have been friends for many years at the Dept. of Revenue. Even though she worked in GTA and I work in PTO, she was an inspiration and mentor to me. She was always available to talk and cheer me up when I was down. When God put it on my heart to start a prayer group at the Dept., she assisted me. I had always been a quiet Christian and she helped me to become a more vocal Christian. When I came into the office, I would try to go by her office and talk to her. She was one of the most genuinely sweet souls that I have ever met. I will miss her greatly and will always treasure our friendship. I am so blessed to have been friends with her. I just wish that we had more time. It comforts me to know that she is with our God and Savior. I love you Sam!

*Her family are in my thoughts and prayers. May God give you comfort and peace during this time and may you know that you are loved. My condolences to all of her family, friends and others that she touched with her heart.*

*Samantha was more than a co-worker to me, and I will miss her but will not forget the laughter and moments we shared in our travels for training in the hotel rooms over a glass of wine. I have had the pleasure of sharing our thoughts, hopes and dreams which allowed me to get to know the good soul that she was. Sending my prayers and sympathy to her family and friends, may you be able to celebrate her life and keep the memory of her alive in your hearts. Her Friend Terri Hooper*
