“ Another year mom it’s my birthday tomorrow and yours was last week you would of been 82 yrs old, you were 32 yrs old when you welcomed into the world. Lots of changes, but one thing always not one minute goes by I don’t think of you and wished things would of been different. Only if you would of came to live with me and I could of taken care of you and you would of been stressed free instead you chose to take care of everyone of the family who took completely advantage of you. You lived the balance of life in pain, fights, unhappiness you had highs that were good but a lot of lows. It’s a shame and I hated that for you I choose to be different I will help and I have, but no one appreciates anything and they live and feel entitlement is due, I know your smiling on Teenie right now she does a lot to make sure all her babies are happy. I’m proud of her too she tries hard. I will always be there standing by if she ever needs me. Tulip still trying to get it together but she’s tough and is a survivor. Britney finally found her way and is maturing so beautifully very proud you would be too.

Miss you and live you always til we meet again mom, ❤️Charlene

“ With every inch of me mom I try to push through the day. Everything seems to be an obstacle. Its so empty. I just want you to ring my phone to call me in your room to talk to me. I want all these things. I want you here with me. You were my best friend mom. One of the most magnificent people I have ever met. I was proud to call you my kotger and to have you in my life. Its selfish for me to say I wish god wouldn't have called you home. But I wish it more than anything in the world right now. Being the person you were you didn't deserve to go the way you did. I love you so much mom it tears me. I will always remember you day in and day out till my end of time. Rip mommy

“ I will always remember and cherish Momma for giving me so many wonderful moments and being a huge part of my life for so many years. She gave me a wonderful wife of 22 years and is grandmother to my son who loves her dearly. She gave me brother and sister in laws, nieces and nephews. She was the glue that held an amazing family together. My thoughts and prayers are with all the kids and grand kids of this amazing woman. God rest your blessed heart and soul.

“ So sorry for your loss, you and your family are in my PRAYERS and THOUGHTS.
For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all, so we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal.

May the love of God embrace you in these tough moments and help you heal the pain you feel in your heart by means of time. Just remember that my arms are here to embrace you during these difficult moments Charlene. I am so sorry for your loss but know that death cannot separate the ones we love knowing they are at home with our Lord Jesus Christ. I love you and will be praying for you and your family during this difficult time.

2 Corinthians 5:6-8 So we are always of good courage. We know that while we are at home in the body we are away from the Lord, for we walk by faith, not by sight. Yes, we are of good courage, and we would rather be away from the body and at home with the Lord.

*My heart is reaching out to you,
For what you're going through;
I'm thinking of you frequently
And praying for you, too.*

*If there's something I can do,
Anything at all,
Think of me thinking of you,
And don't hesitate to call.*

*Cherish the memories of your beautiful mother. I offer my condolences
and this poem of encouragement in this difficult time. "Angels in the
Sky" God saw I was getting tired
as he put his arms around me
as he whispered come with me*

*There is a place for you in heaven
where there is no suffering and no pain
all you have to do is look up to the sky
and know that you will see me*

*As I am an angel in the stars
what a great place to be
I am an angel of God and a
sparkle I shall be*

*Know that I'm watching over you
just look up and see
I'm looking watching over you
please don't be sad for me*

*I'm your angel in the stars
where I am happy now
you will see and one day
you will be with me*
