

Sandra Nieves

October 15, 1952 - December 31, 2025

Sandra Nieves moved through life with a loud strength and a heart rooted in love. A devoted wife, mother, aunt, grandmother, and friend, she was the steady presence so many leaned on, the soul who loved deeply and without hesitation.

Music lived with salsa in her steps, rhythm in her spirit, and culture woven into her very being. She believed fiercely, loved generously, and stood firmly for what mattered most: her family. Her devotion was constant, her care unwavering.

Sandra found joy in simple pleasures with her husband and shared moments, time with friends, laughter at gatherings, movement in the water and Pilates that brought her peace, and celebrations that filled rooms with warmth. She knew how to live fully and how to love well.

She is survived by her beloved husband, Robert of 52 incredibly dedicated years; her children, Robert Jr, and Sabrina; her cherished niece, Evita; and her treasured grandchildren, Julius, Isabella, Ava, Lennox, Rihlee, Stone, Perry, Luz, Paloma, Ris, Jakob, and Tyler, each carrying a piece of her strength and light forward.

Sandy leaves behind a legacy not measured in years, but in love given, bonds

held close, and memories that will continue to dance in the hearts of those who knew her. Her memory will live on through the many lives she touched and the family she held so close to her heart.

“ Dear Robert and family,
Last time I spoke with Sandy was on her birthday in October; she was in a rush because she was celebrating, counting and re-counting her blessings. We were able to have a quick but quality chat that day where she regaled me with the lives of her grandbabies, the youngest who was turning 8, born just a year before Sandy retired, a testament that time travels at the speed of light since I met her the year the twins were born some 20 plus years ago. Sandy and I were lunch companions many years at Baruch and I got to know her family through stories in which she transmitted all the love she had for each one of you. The Sandy I knew also didn't know any strangers, so she embraced the world with compassion and generosity of self and her opinions, lol. I will miss my dear friend, but may memories give comfort and shine bright as Sandy becomes one with the light at Heaven's door.

Every time we shared activities in our community, she lit up the room with her enthusiasm, positive energy and happy conversations.
