“ Scott truly was a wonderful man and a gifted craftsman. He was such a talented carpenter. He did many projects for me through the years from remodeling my kitchen to hanging doors and many more. When I downsized and moved to a smaller house, Scott improved my new home in many ways that made my life easier. He was always kind, efficient & good natured. He was talented and innovative and always fair with his pricing. He was the cousin of my best friend and we came from the same area in Pennsylvania, so we shared many good memories & stories. I am deeply saddened by his passing and I am sending many prayers & blessings to Holly & his family while they mourn the loss of this good man.
