“ *My name is Tom C. DeNegre, Scotty's daughter lived next door to us in Columbus Harbour. WE got to know Scott and he did a lot of work in our house. When Scott was in Eagle Avenue we would go and hear him play. WE liked Scott a lot and if we would have know that Scott passed away we would have been to his celebration of life. You will be missed my friend RIP, Your friend Tom & Vicky DeNegre tdenegre@embarqmail.com*

“ *I was shocked to see your passing. It's been many years since we have spoken and I never got the chance to hear you sing in person and I'm sorry for that. Praying for peace to your Wife and Family. RIP Scott.... you were a great friend and neighbor.*

“ Julie - We are so sorry for your loss. We didn't know until today. We never had a chance to meet but Scott always talked about his family when we saw him. Scott was such a good guy and we are just speechless. My husband, Jeff, spent a lot of time with Scott when he came to the house to help with repairs or just cleaning out the garage. We lost our oldest son to a drug overdose in 2010 and he was just 20. Collin was also a musician and Jeff talked to Scott a lot about Collin, music and how much he was missed. Our prayers are with you and your entire family.

Julie Dunfee - October 04, 2018 at 09:34 AM

I still miss you terribly. Not a day goes by that I don't think about you and what we would be doing now if you were still here. I still cry most days, but it's not every day now. Sometimes I smile for having known what real love is. Thank you for always putting me first in your every decision. You were one of a kind. I love you!
