“ I have so many memories with Sherry. I worshipped with her for years. We have sons close in age, I have lots of memories of them growing up and the things we did. Sherry went through so much but she was always upbeat and positive. She loved nature and found joy in the simple things. She loved and cared about people. Fansupertastic-I will miss you Sherry.

“ I dated her sister Sheila Ward while in High School. Quite often Sherry and Charlie would double date with us. She was my sister-n-law for 15 years before her passing, but actually she has been like a sister to me since High School. She had been in my heart for over 50 years and she will be there the rest of my life. She used to like to sky dive so I know now she is flying high. Anytime you asked her how she was doing her reply would be "FanSuperTastic". No matter how bad she was feeling that would be her reply. I want to attach a couple of pictures of her where she is always smiling.
