“ *Never met Shirley, but because I'm best friends with her cousin Jean Bennett. She sent us Christmas cards, and I communicated with her loving daughter Donna, who is an Angel on our earth. RIP Shirley, we will all miss and remember you and Your thoughtfulness. Sending Blessings & condolences to your family 🙏*

My Mom, I miss her desperately already. I look around the room and call her name... knowing she is not going to answer me. It is comforting to me to ask her if she is okay as I was doing days ago. She would answer "I'm okay" and I would tell her " I Love You" and she would answer shakily "I Love You Too!" Many Kisses Later, She is resting in The Arms of The Angels in the Presence of OUR LORD. This gives me My Peace...Amen

“ Momma Shirley was an absolute hoot! We really didn't connect when Donna and I were girlfriends in school. However, as we became adults I come to realize what a fun-loving woman she was. She said the silliest stuff and we would laugh and laugh. When I gave the eulogy for my mom, I said that the thing I would miss the most would be her laugh. Momma Shirley fits right there. The interaction she had w/Fred and Donna was priceless. Ms. Shirley RIP. You will be missed and I surley will miss your laughter!!
