“ Thinking back growing up going to spend time with Susan at her home what really shined through was how much her parents Steve & Dot loved one another. Their love was evident for all to see. Rest in peace with your forever love Steve.

“ My Uncle Steve took me aside many years ago when I was a young woman in my twenties, still trying to figure out life, and told me how proud he was of me. His, and Auntie Dot's, words always carried me though out my life. I've always treasured them in my heart. God be with you, and Auntie Dot. Enjoy ur next life ❤️
