

Stephen Lamont Haskett

April 5, 1959 - December 17, 2015

Steve went home to be with the Lord on December 17, 2015 at the age of 56. Born and raised in Covington, Kentucky to Les and Liz Haskett. He graduated from Conner High School and was a veteran of the United States Army. After the military, he was a builder and owned his own construction company. Steve was a hard working man and extremely dedicated to his job. He never complained about helping others and did so graciously. Steve relocated to Florida in 2005 where he continued working in the construction field and for R.D. Michaels.

Steve loved to fish, ride his motorcycle, eating out at restaurants and most importantly, he thoroughly enjoyed spending quality time with his family and friends. His most favorite moments were those with his granddaughters. He loved hearing his grandchildren call him "Opa".

During Steve's illness over the past two and a half years, his walk with the Lord became a testimony of Gods faithfulness. Throughout his illness, Steve never complained and would put a smile on his face to hide the pain. He never wanted his family to worry about him.

Steve was thankful for the true friendship he had with Danny, Sandy, Dave and Joe who were like family to him and stood by his side until his departure.

Steve is survived by his loving wife, Lynda; his three children Cynthia, Steven (Sarah) and Rachel (Jordan). His five granddaughters Angelica, Haleigh, Meghan, Evelyn and Elouise; sister-in-law Laurie (Larry); brother-in-laws Ronnie (Michelle), Richard, father-in-law Jules; mother Lizzie and four siblings, Ray, Jessie, Les and Rena.

A celebration of life will take place on Tuesday, December 22, 2015 at 10:00 AM at The Praise Place, 3110 Howell Branch Road, Winter Park, FL 32792.

“ Steve was a family man devoted to his wife Lynda, his children and especially his grandchildren. He loved nothing more than having the whole extended family over to his house with his home filled with boisterous grandchildren. He was a strong man morally and physically. He outlived several predictions from medical personnel of how long he would live. He was strong at doing things right. When he and Lynda bought their house and intended to remove the wallpaper and replace the carpet, he saw problems he didn't like and stripped the inside down to the studs and rebuilt it with the last strength he had. When his health failed his wonderful friends came in and finished it. He was a hard worker all his life and has earned his well-deserved rest. He will be missed by his family and friends.

“ Brother,

You will be missed. The times hanging out around a grill, tossing back a beer, and talking manly things will always be remembered. It was a tough battle for the last couple years which we walked by your side hoping and praying for your recovery; but, God had better plans for you and now you stand by His side. Although I now feel the pain of your passing, I know in a blink of an eye in the realm of eternity we are already standing side by side again talking about the journey of life. Until that time comes for me, you will be missed deeply by this family. Love ya Brother, Ron Cohen

Steve was a very caring man who worried about others even though he was the one who was sick. I met him just after the first stroke. He was a joy to be around and I enjoyed talking with him. He and Lynda were copies of each other and she will miss him dearly. He was a good man who loved his family and especially his grand children. Randy met Steve later along in his illness and found it amazing how he could carry on such a great conversation and wondered at his strength even at the end. Steve will be missed by us. Love to you Steve.

“ Dear Steve: Thank you so much for letting me nurse and care for you during the last days of your life. And also thank you for sharing your beautiful wife, Lynda, with me and bringing her into my life as well. You are such an inspiration to me. Your strength and character came through even in your pain and suffering. You were always "my favorite patient", always pleasant and in good spirits, joking with me and helping me care for you as best you could. I will never forget you, and will always be there for Lynda. It brings me joy knowing that you are finally where you belong with our Lord, happy and healthy once again. It brings me comfort knowing I have someone like you looking out for me from above. Go forth in heaven as you did on Earth, living your dreams and bringing joy to all you meet there. I am looking forward to seeing you again when it is my turn to come home. Mary Childs

“ Dear Steve,
It seems I that I have gotten the chance to know you for a life time. (ABlessing) And in that time I have seen a man that was honest, protective, giving, hard working and stubborn as all get out! (Never say it couldn't be done to you) I have seen you in your ups ,downs and then when you would climd back up again and you always do. And then when you finally found your happiness. A happiness that most people only dream about. And a love that made all the hard work in life worth it just to get to that point. My prayer for you is that you get to carry that love and happiness with you.
With love thank you for being in my life,
Niki

Steve you were my best friend since high school. You was the BEST man in my wedding and then we lost touch for some time. But then we were lucky enough to catch up with you again. And you had moved away from Kentucky and found the lady of your dreams. You were so lucky to find Lynda and have her by your side until the end of this life, We will see you again. Until then, I love you and miss you. For now it's goodbye good buddy! I know your better now, no more pain. Fly High!
