“ *My little brother my other half! I love and miss you so much! From childhood to now from you meeting your nephews to striving to be the best you could be. I can't express how proud and blessed I am to have you ❤️! Your music your art your overall passions and talent you hold will never be forgotten. So much life you had left to offer and although life was cut short you made a everlasting print on my heart. All you loved was family your heart was of gold and your spirit was enlightening! You taught me more than you can imagine and I will forever cherish our memories and hold them close to my heart. Although you left us your in a better place. Love you my little brother I love you forever ❤️ Rip xoxo*

“ Stephen, I will miss you!!! Your goofy giggle, your sweet smile. Right now I can't even write without crying. Kathleen, I know your pain is so deep, I wish I could take it all away, rewind life to July 7th and freeze time until we had your baby back home, safe and with you. I am always here for you! I love you to the moon and back! Shirley
