“ Susan,

I still remember the day we met. One hot sunny July day Robert brought me to meet the family at Don Pablos in Sanford for Jessica's birthday. You were the first one to hug me and introduce yourself to me. That day you made me family. There was never an "in law" between us, you made me your sister. Thank you for being so nice to me. I remember In 2007 we shared our birthdays on the River Romance dinner cruise. Over the past 10 years most of my memories and life events you were there. Our wedding, McKenzie's birth, baby shower's, birthday parties, dance recitals, baby dedications, Saturday nights,. Thanksgiving, Black Friday shopping, Christmas, New Year's. 4th of July, our August birthday beach weekend celebration, May weekend beach stay, the circus. Medevil Times, I could go on... I'm going to miss you so much. McKenzie and Ryan have been asking about you and they want to come and see you. Rob finished remodeling their room, you were so excited to see it when it was complete. You were always so good about being so involved in our everyday life. We are going to miss laughing with you and at you about mayonnaise is your spaghetti and your "Susan's Sweet Tea" .. lol...

I'm thankful you are no longer in pain. I know you were in so much pain and you were sick. Be that free spirit you are. I know you are happy and no longer suffering.

I love you Susan!!

*Love,
Beth*

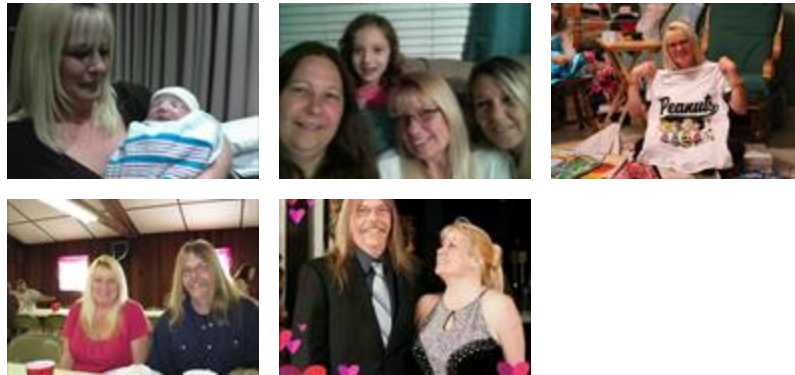

" Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going."
