“ You instilled my best qualities and I will forever use them to be the best father I can be. I love you more than anything in this world. You were the most selfless person and touched so many people's lives. God definitely gained an angel. Please Look after us as you always have and know that we will see each other again. I love you Mom

She was an angel from the start. I am so glad for Facebook because we were able to connect in a way again even though miles away.
