

## Theresa Ann Dawson

July 14, 1962 - February 25, 2020

Theresa Ann Dawson, 57, of Orlando, Florida passed away Tuesday, February 25, 2020. She was born on July 14, 1962 in the Bronx, New York.

My beloved wife, the night of our first date I drove home and Rod Stewart's song "Your Heart is in Good Hands" was playing. I prayed that night that if God allowed you to be mine, your heart would be in good hands. I would do everything I could to bring happiness and love into every day of your life. He did give me the most awesome lady a man could ever share a life with. You are loved beyond measure by me, Heather, Ashley, Colton, and Kyle. We look forward to the time we are together with you in the presence of our Lord and Savior, Jesus Christ.

Theresa is survived by her loving husband, Donald "Keith" Dawson; daughter, Heather Sunday; daughter, Ashley Bryant; son, Colton Jack Dawson; son, Kyle Robert Dawson; mother, Patricia McMurray; brother, Robert Dauernheim, Jr. (wife, Jackie Dauernheim); grandchildren, Baileigh, Bentley, and Travis; nephew, Robert Dauernheim III; niece, Rebecca Hunt; and other extended family and friends.

“ It's been 2 years now and we all miss her greatly. She was the the worlds best mother. When she would walk into the room her simile would light up the room. Even through her battle with ALS that smile would never fade. I remember she would put so much effort into making our childhood the best we could possibly have. I remember when she first got sick even though she was slowly becoming less and les able she would still have the courage to look after us and have courage and bravery. Theresa was so strong throughout all the surgeries and the painfull procedures she would stil have that big bright smile. To think that i could ever loose her wasn't even a possibility at that time. God used her in so many ways before and after she was sick. She once attended a prayer class. There was a boy who had severe autism and couldn't speek anything but a few words. My dad pushed my mom over to him and Theresa started praying for that little boy and he spoke a full sentence. About three months after she passed a preacher out of state reached out and said god told him a woman named Theresa passed and that she was now teaching all the little boys and girls who did not reach the age of accountability about jesus. I would like to thank everyone who stuck by her side all this time. And to everyone who sent gifts and condolences. I am so appreciative and thank you again for being there for her throughout all her ups and all her downs

“ *Theresa was always a ray of light; a positive voice; and a friend to many who admired her volunteer work in the multiple birth community. As a member of Greater Orlando Mothers of Twins and Triplets, and the Florida Organization of Mothers of Twins Clubs, Theresa was a fellow volunteer, mother, and friend. Until we meet again.... God Bless.*

*My thoughts and prayers are with Keith, the boys, and the rest of Theresa's beautiful family.*
