“ *We met Tom "T-Bone" 26 years ago. I was a new employee at the facility he worked at. We became fast friends and have remained close friends ever since. He brought my husband Gator and I into his family....and we became family. We have celebrated life events together, good times, rough times,we lived LIFE. No regrets he said to me on Dec 10th at the annual Nero Christmas party. Well one he then said.....and it had to do with the surgery his loving wife Soupy had. Gator and I couldn't have picked a better group of friends/family than the Nero's. I am deeply saddened by the loss of Tom just as we were when Soupy went to be with our heavenly father heaven. Happy for them, as they are in eternity together. Sad for us that have to wait to meet back up with them. In the meantime.....we will continue to live on until we meet again. Rest in peace my dear friend. Friends are Forever. Love you forever and always.
