“ It was a sad night at Animal Kingdom Saturday. As the sun set and brought on a new work night, we (the crew of Animal Kingdom) have lost a friend, and union brother. Tony you had helped to keep the Disney Magic alive for many years and will be surely missed. As we pause in remembrance we all pray that you Rest In Peace ! Our Brother! We will always be" Your Crew and Friends ".

I can not tell you how much this means to me, I know how much Tony loved and appreciated all of you. I only wish he could have been here one more day and told all of you how much you meant to him. He was a great man. He cared and loved you all. I do known every time he had to lay someone off he would come home so sad and worried about that person. He cared,and loved all of you.
