“Daddy, with every passing day we miss you more and more. Mom tells us the stories and adventures you guys took from the moment you guys met. She was only 16 when you guys met. You’ve been in our lives since then. We can’t wait to have you back home where you belong❤️ I love you always, your daughter Mileny

“Troy I will always remember your smile the very first time we met and the day our Daxton John Stalhood enter this world. He will always have the memory of you calling to wish his happy birthday when he turned 7. We will miss you and never forget you Troy We love you. Thanks for the last 3 yrs even though times we tough with you being so far away. We made it work through emails and phone calls. The laughs we shared I have those emails store for keep sakes. The pictures you sent me. You may be gone but you will never be forgotten. As your son says Fly High Dad your battles are over and enjoy heaven. We will see you again someday.
