“ Vickie Jean Julson Wade is my youngest sister. Vickie is a wonderful daughter, sister, mother and nana. She is gentle, kind, loving, self-sacrificing, nurturer, quiet, hard working, caregiver, smart, beautiful, courageous, brave, funny, has a great laugh, gave freely to everyone—even when she didn't have much. When she was a teen, I took her, my kid sister to a John Denver concert, she still remembered it. We worked together for my parents, Vickie was the rock of the office—always there, always doing whatever needed. She gave everything she had. Vickie loved to cook, I always loved the cheese balls she made for our family gatherings. Vickie's family was the center of her universe. She loved her Dad, Bill, her Mom Carole and stepmom Marion and siblings Scott, Vince, Tammy and Teri. At only 7 years old, Vickie lost her Mom. It was a devastating loss for her, She missed her Mom every day for the last 48 years, now they are happy to be reunited. Vickie's greatest love and joy in life are her three beautiful children Joe, Jennifer and Samantha. Her love for them is greater than any ocean and deeper than the black hole—her love is without end. She gave them everything she had within her as a mother and instilled them with her gentleness, kindness and love. Your Mom loves you always. Vickie's richest treasure beyond her 3 kids, are her three grandchildren Anthony, Dominic and Aliya. Nana will always love you. There will never be anything more important to Vickie than these 3 children and grandchildren. They will be reunited again one day in heaven. Vickie loved to read, chat with her 2 sisters online, do a little gardening, make zucchini noodles with her spiralizer, swim at the pool with her grandkids and she loved being Nana and Mom. I will miss Vickie's laugh so much, she had such a great sense of humor. Her life was very hard at times, but she was very brave. Vickie always kept a bright outlook and knew things would get better. I sorely miss you, my sweet sister. I know we will be together again in a future day. I know families can be together forever! Vickie you are the BEST! I will love you forever little sister.

TH

Vickie also loves her youngest brother Michael, who was born when she was 9 as if he were her own little baby boy. Michael quickly outgrew Vickie in size. Vickie thought the world of her little brother Michael, who always went out of his way to take care of his big sister. Vickie and Michael worked together daily for many years at their parent's private investigative company and grew very close. Vickie always thought the world of Michael. Vickie leaves behind a great family who loves her very much.
