“ Spending time with family today is making me miss my uncle. He would have really enjoyed us all. Just thinking of his warm smile and his laugh. He was the nicest person and he told us he loved us Everytime we saw him. I'm thankful you are no longer suffering but we miss you and always will Uncle Victor. Love Taylor

“ My thoughts and prayers are with the family. I had the privilege of getting to know Victor towards the end of his life and am still impressed with his faith and love for God and his family. I only wish I had known him sooner as I am better for having known him.

I loved knowing that my sister and niece had their strong support by their side. The man who liked fun, a quirky laugh and snacks. I'm sorry their time was cut short. Thank you for those memories brother-in-law. We miss knowing you are there. Tanya Smith

“ To my beloved nephew Victor. You were always such a special person. You were fun to be around, and always had a genuine pleasantness. I will always remember you. So sad you are no longer with us, but you are now in God's hands. Un abrazo de tu tío, Rudy.

“ I miss you by my side,we lived,we laughed and we loved each other more than words can say for 35 years. We had good times and hard times but, you were always there for me and Brittany. We worked so hard all our lives together dreaming of the time we would retire and just enjoy our time together. 2019 was such a hard year for you with the hip replacement diagnosis of the MDS,steam cell transplant. You fought long and hard for your family, just like the marine (Desert Storm) you always were deep inside.

2 Timothy 7

I have fought a good fight,

I have finished my course,

I have kept the faith:

2 Timothy 8

Henceforth there is laid up for me a crown of righteousness, which the Lord the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing.

Amen

I Love you Baby always
