“ One thing I have learned from the passing of our parents is they are always with me. Just as Ginger will always be in my heart and thoughts. It may be triggered by a sudden smell or the sound of a song floating through the air that brings back memories of our childhood and the time we had together. One thing I know for sure, Ginger is finally at peace and probably playing blitz with mom, dad and Rita.

“ I will always smile when I think of Mom and Dad calling you by your nickname. (GINGER BREAD RED HEAD). Dad gave each one of use our own nickname to make us fell special. We will miss our little sister. Wishing you and Rita eternal peace together .

I will always remember times our families got together on Fridays and we watched all the shows and pretended to be the characters on those shows. I wish we had been closer but you and your sisters and brothers were my favorite cousins. I will miss you.
