

Wanda Lea Willoughby

April 2, 1955 - September 9, 2025

Wanda Lea Willoughby passed away unexpectedly on September 9, 2025 in Orlando, Florida. She was born in Orlando Florida to Elmer George Willoughby and Nora Virginia Dover on April 2, 1955. She was raised in Orlando, Florida and graduated from Colonial High School. Following High School, she attended college and graduated with a bachelor's in business administration. After college she worked many jobs and ultimately ended up as the Senior Customer Representative Specialist for Abbott Pharmaceuticals.

Wanda is survived by her sister Ginny (Virginia) Willoughby and brother Douglas Willoughby. She was the most amazing Aunt to Hailey Pierson, Nicole Willoughby, Melody Pittard, Paul Pierson, Justin Pierson, Eric Willoughby and Douglas "Dougie" Willoughby, Jr.

Wanda was the best sister, aunt and friend we could've asked for. She was always there for us and her nieces and nephews; she loved her family very much. All of her free time was spent living life and enjoying it. She loved to go see live music, have a drink and socialize with the crowd. She enjoyed theme parks and took her nieces and nephews often. Her favorite place in Florida is St. Augustine: she loved the beach. She was an avid reader, thoroughly enjoying finishing off a series.

Most of all - she loved the hunt for bling. Jewelry, shoes purses, outfits and full

accessories, sisters would make a day of it. Wanda was a giver - she always made the holidays and birthdays so special. The packages were as beautiful as the gifts. Most of all she had the biggest heart, she thought about most people before herself, and yet, it always benefitted her as she got to spend time with the people she cared about most. She was loved dearly and will be missed by many.

“ Wanda was my best friend for over 40+ years and knew how to laugh and enjoy life! She became a surrogate "Aunt Wanda" to my children and grandchildren. We spent many hours working out at the LA Fitness and would talk about life and family. She will be missed everyday....I love you Wanda!

“ Wand was such a sweetheart. She had such an infectious laugh. Every time I hear her laugh across the office, it always made me smile.
