

Warren James Howie

November 2, 1972 - November 18, 2024

Warren James Howie, 52, passed away on Monday, November 18, 2024. He is in God's arms now.

Warren was born at Hialeah Hospital, graduated from American High School, was an awesome carpenter, worked in a recovery facility for years and had a love for helping people. Warren is survived by his Mother Roberta (David) , father Warren (Christy), son Dillan, sister Bobbilynn (Cevin), nephew and niece, Caleb and Kaitlyn, brother, C. B. (Monica) nephew, Charles, as well as several Aunts, Uncles & cousins.

Warren loved time spent with his son Dillian throughout his life, from comforting the colicky baby, to coaching his sons football team or spending time together at New Smyrna race track and their wonderful trip to Switzerland. Warren was beyond the moon proud of his son becoming a firefighter.

Warren had a passion for helping others and was instrumental in aiding many along their path to sobriety. He celebrated the milestones of success with his friends & he never turned his back on or judged those in need. Warren was easy to talk to, always forgiving and conveyed so much kindness and acceptance that people felt better just for having spent some time with him.

Warren was giving of his time as well. He experienced great joy when involved with various charitable organizations, planning Thanksgiving feast as well as other events for those he served in the recovery community.

Warren's favorite hobby was stock car racing. He was always a fan of

NASCAR and enjoyed every moment with his own race car. He also loved football, Miami Dolphins & UM were his favorites.

He played in High School too.

In accordance with my sons wishes his body was cremated at the Good Life Funeral home.

Warren's life can best be honored by caring for others the way he did and treasuring our best memories with family and friends.
