“*Marion, Jim and brothers and entire Shever Family,
My heart and prayers are reaching out to you
right now as I know the raw ache of you hearts and minds! May time
give you the blessings of finding yourself doing things the way your
family's Dad did and you realize how he is still with you because
he's just part of you. I'll share with Wade. He's doing better and I
need to share with you when we can connect. May the strength of
the Holy Spirit be with each of you. Hugs & love, Kay Liles*
