“ *Tio was so precious. He giggled behind Tia’s back when she got onto him about making a mess.
I hurt for you all. My heartfelt sympathy as you navigate through a world without his presence and sweet smile. May God give Tia and all of you strength as you process a grief so devastating.
My love and prayers for you all.*

I’m so sorry for your loss. Our uncle’s kindness and quiet strength will always be remembered, and the love he shared lives on through everyone who knew him. May you find comfort in the memories you hold close and in knowing how deeply he was loved. Wishing you peace, strength, and gentle moments of healing during this difficult time. I love you!
