“ It’s been 17 years since I have seen you. I remember growing up and spending a lot of time at your house, I remember you got me eating raw potatoes and ketchup while you were making us dinner. Remember going to the Herald with my dad and you would give me hard time. Good memories when I was young
Only wish we stayed in touch. You are now with the rest of our family. You are home now. Rest easy uncle Bill.

PS

Bro Bill was a part of our church family at Refuge House of Praise in Christmas Florida and he was loved by everyone. We could call on him at anytime and he was always ready, including playing Santa Claus which was so much fun. Bro Bill was easy going, funny and I always remember his saying that he loved his woman the way he loved his coffee - black and natural lol. We will miss him dearly, he was truly a great character. Sis Patsy, thank you for Sharing him with us, we are praying for you and family in this difficult time.

My dearest Bro Bill would not allow us to just say Hi, he always had a hug. He treated me like a daughter. My whole family loved him especially my husband who he shared a special bond with. I enjoyed spending time talking and laughing with him. My family will miss you very much. You are no longer in pain and discomfort Bro Bill. Rest now..... 🙏🥹❤️
